To,

The Secretary to the
Chief Commissioner of Mysore,
Revenue Department.

Sir,

I have the honor to acknowledge the receipt of the Chief Commissioner's proceedings No. 1854-1 dated the 15th October directing that Ramana, Bailiff and Peon, should be required to take his pension on the 4th July on which date he will have completed 24 years service.

2. Orders have been sent to him accordingly. He prays that in the arrangements to be made, advancement may be given to his son Narasimhaya who is now 3rd Peon in the District office at Shimoga. As Ramana has done long and good service under Government, I should be glad to meet his wishes if possible.

3.

3. As the Assistant of Narsipur will become vacant, I have the honor to submit the names of the following officers for the post.

1. Mr. Govindaraja, Deputy Accountant of the District office, is in my opinion the best qualified, as he is a man of good ability, much energy, and active habits and was the only officer in this District who came prominently to the front during the famine. He has attended Assistant's Examinations, Latin and Sanskrit, and is also studying Telugu, at a time when the work was exceedingly hard. He is now acting Amildar of Hassan.

2. G. Raghavendrachar, Head Assistant to the Special Assistant Commissioner Mysore, has the strongest claim, as he acted for thirteen months as Amildar of Chikballapur and ought to have been in the

(15)

he had to make over for an officer transferred from the Dacca Superintendent's Office - He is an officer of the old school, and while acting as Assistant exerted himself in the collection of heavy arrears of Revenue -

3. Krishna Bandhu Dey, Head Assistant of the Sylhet Court, Nilla. Grand Division, who has acted as Assistant in Cachar in the Myphore District and is recommended by the District Judge in his letter No: 58 of the 6th Instant, copy of which is enclosed -

4. Syed Amir Hasan, 3rd Class Police Inspector of Gaya, belongs to a high family, knows English, and is a man of intelligence and respectability - The Commissioner of Police has particularly directed that a higher post should be conferred upon him - It is most desirable also for public

interest that deserving Policemen
particularly when fitted should
share with other classes of the Com-
munity ~~in Calcutta~~ alike, part of re-
sponsibility under Government.
Exception from it being a small
Salary is particularly unfitted
as a first appointment for a Police-
man, who requires to gain experience
by actual work. At the same time
it may be observed that his ex-
perience as a Police Officer will
be invaluable, as since Police work
is to be added monthly to the duties
of an Inspector, it is of importance
that nominees to the Service should
have thereafter capable of doing
more than ordinary desk-work.

4- Since the vacancy occurs
in the District Establishment the
Officials of the District who have
distinguished themselves, have a
prior claim. A Mahomedan who
